About HSAs...

A Health Savings Account, or HSA, is a personal account that lets you pay for qualified medical expenses with tax-advantaged funds. You or an eligible family member make contributions to your HSA tax-free, and those dollars earn interest tax-free. Then, when you make withdrawals from your account to pay for qualified health care expenses, they're tax-free, too.

It's easy to establish a Health Savings Account...

Simply enroll in an Aetna HSA Compatible High Deductible Health Plan and you will automatically have an HSA opened through Bank of America. You will also receive a debit card and a welcome package with additional information to get you started.

If you do not wish to set up an HSA, you can opt out by calling Bank of America – or the account will be automatically canceled after 90 days if the debit card is not activated or if you do not enroll online.

Why choose an Aetna HealthFund HSA?

- No set-up fees
- No monthly administration fee
- No withdrawal forms required
- Convenient access to HSA funds via debit card or online
- Track HSA activity online

The HSA Investment Account allows you a number of different ways to invest for the future, complementing the interest earning HSA Cash Account.

Aetna Advantage Plans for Individuals, Families and the Self-Employed are underwritten by Aetna Life Insurance Company (Aetna) directly and/or through an out-of-state blanket trust.

In some states, individuals may qualify as a business group of one and may be eligible for guaranteed issue, small group health plans.

Add Dental PPO Max

With the Aetna Advantage Dental PPO Max insurance plan, you can obtain services from either a participating or non-participating dentist. *Participating dentists have agreed to provide services at a negotiated rate for both covered services, as well as non-covered services such as cosmetic tooth whitening and orthodontic care, so you generally pay less out-of-pocket.* You also have the flexibility to visit a dentist who does not participate in Aetna's network, though you will not have access to negotiated fees. Dental coverage is offered only if medical coverage is obtained

Want to cover your children only?

Aetna Advantage plans are also available for children only, which means you can enroll your child even if no other family member enrolls. Coverage includes immunizations, well-child visits, emergency room and dental preventive services (if a dental plan is selected). Note: when an HSA Compatible plan is selected for child only enrollment, an HSA account is not available for the child.

Is your doctor in the Aetna network?

Which local physicians, hospitals, pharmacies and eyewear providers participate in the Aetna Advantage Plan network?

+ The Aetna Performance Network® features Aexcel-designated specialists who have demonstrated cost-effectiveness in the delivery of care and met certain clinical performance measures. The Aexcel designation applies to select specialists in 12 specialty areas: Cardiology, Cardiothoracic Surgery, Gastroenterology, General Surgery, Obstetrics and Gynecology, Orthopedics, Otolaryngology/ENT, Neurology, Neurosurgery, Plastic Surgery, Urology, and Vascular Surgery. Aetna members in the designated counties must choose Aexcel-designated specialists or they will incur out-of-network charges. There is no additional cost when members use Aexcel specialists. You'll find them by looking for the star next to the doctors' names at www.aetna.com/docfind/custom/advplans or in your printed directory.

Things you need to know to apply

To qualify for an Aetna Advantage Plan, you must be:

- Under age 64 3/4 (If applying as a couple, both you and your spouse must be under 64 3/4.)
- Under age 19 for dependent children
- Between ages 19 and 23 for unmarried dependent children with proof of full time student status
- Legal residents in a state with products offered by the Aetna Advantage Plans
- Legal U.S. residents for at least 6 continuous months.

Your premium payments

Your premium payments are guaranteed not to increase for 12 months from your effective date once you've been accepted for coverage. After that, your premiums may change. Final rates are subject to underwriting review.

Your coverage

Your coverage remains in effect as long as you pay the required premium charges on time, and as long as you maintain eligibility in the plan. Coverage will be terminated if you become ineligible due to any of the following circumstances:

- Non-payment of premiums
- Becoming a resident of a state or location in which Aetna Advantage Plans are not available.
- Obtaining duplicate coverage
- For other reasons permissible by law

Medical underwriting requirements

The Aetna Advantage Plans are not guaranteed issue plans and require medical underwriting. Some individuals can be federally eligible under the Health Insurance Portability Accountability Act (HIPAA) for a special guaranteed issue plan under Georgia laws and regulations.

All applicants, enrolling spouses and dependents are subject to medical underwriting to determine eligibility and appropriate premium rate level.

We offer various premium rate levels based on the medical underwriting of each applicant.

Levels of coverage and enrollment

- You may be enrolled in your selected plan at the premium charge.
- *You may be enrolled in your selected plan at a higher premium, based on medical underwriting.*
- You may be declined coverage based on medical underwriting.

Pre-existing conditions

During the first 12 months following your effective date of coverage, no coverage will be provided for the treatment of a pre-existing condition unless you have prior creditable coverage.

A preexisting condition is an illness, disease, physical condition, or injury for which medical advice, or treatment was recommended or received and/or the use of prescription drugs of any kind within six months preceding the effective date of coverage. Services or supplies for the treatment of a preexisting condition are not covered for the first 12 months after the member's effective date. If the member had continuous prior creditable coverage within the 63 days immediately preceding the signature on the application and meets certain other requirements, then the preexisting condition exclusion of 12 months may not apply.

All You Need to Know About Easy-Pay

Simple Automatic Payments via Electronic Funds Transfer (EFT)

Registration: Complete the payment section of the Aetna Advantage Plans application. Select the EFT option to approve the automatic withdrawal of your initial premium and all subsequent premium payments.

Invoices: You will not receive a paper invoice when you are enrolled in EFT. Payments will appear on your bank statement as “Aetna Autodebit Coverage.”

Terminating: To terminate EFT, you will need to provide Aetna with 10 days written notice prior to the date your next EFT payment will be deducted. Without this written notice, your bank account may be debited for the next month’s premium. You will then need to contact Aetna to have funds placed back in the checking account.

Refunds: To process an EFT refund (placing money back in member’s checking account), Aetna will require at least 5 days after the withdrawal was made to ensure valid payment.

Rejected transactions: If the EFT payment rejects for any reason, Aetna will automatically terminate the EFT and send you a letter saying you will receive paper invoices. Processing time to reinstate EFT will be 30–60 days. If an EFT payment is rejected, you will need to pay that payment by paper check or credit card.

Timing: Payments for Cycle 1 accounts (1st of the month effective date) will be taken from your bank account between the 3rd and the 10th of the month the premium is due. Payments for Cycle 2 accounts (15th of the month effective date) will be taken from your bank account between the 18th and 23rd of the month the premium is due.
