AETNA ADVANTAGE PLANS FOR
INDIVIDUALS, FAMILIES AND THE
SELF-EMPLOYED IN NEVADA

We want you to know[®]

Aetna Advantage plan choices

Our health insurance plans are designed to offer you quality coverage at an excellent value. Coverage can include prescription drugs, doctor visits, hospitalization and preventive care services.

Generally speaking, the lower your “premiums,” or monthly payments, the higher your “deductible,” which is the amount you pay out of pocket before the plan begins paying for expenses.

You’ll pay less by using “in-network” doctors, hospitals, pharmacies and other health care providers who participate in Aetna’s nationwide network than by using “out-of-network” doctors.

About HSAs

Many of our high-deductible plans are Health Savings Account (HSA) Compatible, offering you lower premiums and tax advantaged savings. An HSA is a personal account that lets you pay for qualified medical expenses with tax advantaged funds. You or an eligible family member make contributions to your HSA tax-free, and those dollars earn interest tax-free. Then, when you make withdrawals from your account to pay for qualified health care expenses, they’re tax-free, too.

Aetna Advantage Plans for individuals, families and the self-employed are underwritten by Aetna Life Insurance Company (Aetna) directly and/or through an out-of-state blanket trust. In some states, individuals may qualify as a business group of one and may be eligible for guaranteed issue, small group health plans. These plans are medically underwritten and you may be declined coverage in accordance with your health condition.

It’s easy to establish a Health Savings Account...

Simply enroll in an Aetna HSA Compatible High Deductible Health Plan and you will automatically have an HSA opened through Bank of America. You will also receive a debit card and a welcome package with additional information to get you started.

If you do not wish to set up an HSA, you can opt out by calling Bank of America – or the account will be automatically canceled after 90 days if the debit card is not activated or if you do not enroll online.

Why choose an Aetna HealthFund HSA?

- No set-up fees
- No monthly administration fee
- No withdrawal forms required
- Convenient access to HSA funds via debit card or online
- Track HSA activity through Aetna Navigator®

Cover just your children

Aetna Advantage Plans are also available for children only, which means you can enroll your child even if no other family member enrolls. Coverage includes immunizations, well-child visits, emergency room and dental preventive services (if a dental plan is selected).

Note: when an HSA Compatible plan is selected for child only enrollment, an HSA account is not available for the child.

Add Dental PPO Max

With the Aetna Advantage Dental PPO Max insurance plan, you can obtain services from either a participating or non-participating dentist. Participating dentists have agreed to provide services at a negotiated rate for both covered services, as well as non-covered services such as cosmetic tooth whitening and orthodontic care, so you generally pay less out-of-pocket. You also have the flexibility to visit a dentist who does not participate in Aetna’s network, though you will not have access to negotiated fees. Dental coverage is offered only if medical coverage is obtained.

Things you need to know

To qualify for an Aetna Advantage Plan, you must be:

- Under age 64 3/4 (If applying as a couple, both you and your spouse/domestic partner must be under 64 3/4.)
- Under age 19 for dependent children
- Legal residents in a state with products offered by the Aetna Advantage Plans
- Legal U.S. residents for at least six continuous months

Your premium payments

Your rates are guaranteed not to increase for 12 months from your effective date once you've been accepted for coverage. After that, your premiums may change. Final rates are subject to underwriting review.

Your coverage

Your coverage remains in effect as long as you pay the required premium charges on time, and as long as you maintain membership eligibility. Coverage will be terminated if you become ineligible due to any of the following circumstances:

- Non-payment of premiums
- Becoming a resident of a state or location in which Aetna Advantage plans are not available
- Obtaining duplicate coverage
- For other reasons permissible by law

EASY-PAY

Simple Automatic Payments via Electronic Funds Transfer (EFT)

Registration: Complete the payment section of the Aetna Advantage Plans application. Select the EFT option to approve the automatic withdrawal of your initial premium and all subsequent premium payments.

Invoices: You will not receive a paper invoice when you are enrolled in EFT. Payments will appear on your bank statement as "Aetna Autodebit Coverage."

Terminating: To terminate EFT, you will need to provide Aetna with 10 days written notice prior to the date your next EFT payment will be deducted. Without this written notice, your bank account may be debited for the next month's premium. You will then need to contact Aetna to have funds placed back in the checking account.

Refunds: To process an EFT refund (placing money back in member's checking account), Aetna will require at least five days after the withdrawal was made to ensure valid payment.

Rejected transactions: If the EFT payment rejects for any reason, Aetna will automatically terminate the EFT and send you a letter saying you will receive paper invoices. Processing time to reinstate EFT will be 30–60 days. If an EFT payment is rejected, you will need to pay that payment by paper check or credit card.

Timing: Payments for Cycle 1 accounts (1st of the month effective date) will be taken from your bank account between the 3rd and the 10th of the month the premium is due. Payments for Cycle 2 accounts (15th of the month effective date) will be taken from your bank account between the 18th and 23rd of the month the premium is due.

Levels of coverage & enrollment

- You may be enrolled in your selected plan at the standard premium charge.
- *You may be enrolled in your selected plan at a higher rate, based on medical findings.*
- You may be declined coverage based on significant medical risk factors.

Medical underwriting requirements

The Aetna Advantage Plans are not guaranteed issue plans and require medical underwriting. Some individuals may qualify as federally eligible under the Health Insurance Portability Accountability Act (HIPAA) for special guaranteed issue plans under Nevada laws and regulations.

All applicants, enrolling spouses and dependents are subject to medical underwriting to determine eligibility and appropriate premium rate level.

We offer various premium rate levels based on the known and predicted medical risk factors of each applicant.

Duplicate coverage

If you are currently covered by another carrier, you must agree to discontinue the other coverage before or on the effective date of the Aetna Advantage Plan. Do not cancel your current insurance until you are notified that you have been accepted for coverage.

10-day right to review

Do not cancel your current insurance until you are notified that you have been accepted for coverage. We'll review your application to determine if you meet underwriting requirements. If you're denied, you'll be notified by mail. If you're approved, you'll be sent an Aetna Advantage Plan contract and ID card.

If, after reviewing the contract, you find that you're not satisfied for any reason, simply return the contract to us within 10 days. We will refund any premium you've paid (including any contract fees or other charges) less the cost of any services paid on behalf of you or any covered dependent.
