## Article 2 - Important Notice Concerning the United States Patient Protection and Affordable Care Act

This insurance is not subject to, and does not provide certain insurance benefits required by the United States’ Patient Protection and Affordable Care Act (“PPACA”). PPACA requires certain U.S. citizens or US residents to obtain PPACA compliant health insurance, or “minimum essential coverage.” PPACA also requires certain employers to offer PPACA compliant insurance coverage to their employees. Tax penalties may be imposed on U.S. residents or citizens who do not maintain minimum essential coverage, and on certain employers who do not offer PPACA compliant insurance coverage to their employees. In some cases, certain individuals may be deemed to have minimum essential coverage under PPACA even if their insurance coverage does not provide all of the benefits required by PPACA. **You** should consult **your** attorney or tax professional to determine whether this policy meets any obligations **you** may have under PPACA.

## Article 3 – Effective Date and Termination

This Master Policy can be terminated at any time by either Underwriters or **us** giving at least 30 days advance written notice to the other party. Such termination of the Master Policy will have no effect on **certificates** issued to **members** prior to the date of termination or on payments made or to be made by or to

U.S. Citizens and residents are not eligible for coverage within the U.S, except as provided under home country coverage or an eligible benefit period. Individuals age 65 to 79 as of the certificate effective date are subject to a \$100,000 overall maximum limit or less. Individuals age 80 and over as of the certificate effective date are subject to a \$10,000 overall maximum limit.

## Certificate Effective Date

Insurance hereunder is effective on the later of:

- a. The moment **we** receive an application and correct premium if the application and payment is made online or by fax; or
- b. 12:01am U.S. Eastern Time on the date we receive an application and correct premium if the application and payment is made by mail;
- c. The moment **you** depart from **your home country**; or
- d. 12:01am U.S. Eastern Time on the date requested on the application.

## Certificate Termination Date

Insurance hereunder terminates on the earlier of:

1. 11:59pm U.S. Eastern Time on the last day of the period for which premium has been paid;
2. 11:59pm U.S. Eastern Time on the date requested on the application; or

- The moment of arrival upon **your** return to **your home country** (unless **you** have started a benefit period or are eligible for home country coverage).

## Benefit Period

While the **certificate** is in effect, the benefit period does not apply. Upon termination of the **certificate**, in accordance with this provision, **we** will pay eligible medical expenses for up to 90 days beginning on the first day of diagnosis or treatment of a covered **injury** or **illness** while **you** are outside **your home country**. The benefit period applies only to eligible medical expenses related to the **injury** or **illness** that began while the **certificate** was in effect.

In the event **you** begin a benefit period while the **certificate** is in effect, and the **certificate** terminates because **you** return to **your home country**, **we** will pay eligible medical expenses which are incurred in **your home country** during the benefit period. Home country coverage applies only to eligible medical expenses related to the **injury** or **illness** that began while the **certificate** was in effect.

## Incidental Home Country Coverage

**Non-U.S. home country:** For every three-month period during which **you** are covered, eligible medical expenses incurred in **your home country** are covered up to a maximum of 30 days.

Any benefit accrued under a single three-month period does not accumulate to another period. Notwithstanding the foregoing, coverage under all plans shall terminate on the date **we**, at **our** sole option, elect to cancel all **members** of the same sex, age, class or geographic location, provided **we** give no less than 30 days advance written notice by mail to **your** last known address.

## Article 8 - United States Preferred Provider Organization (PPO) Requirements

Nothing contained in this insurance restricts or interferes with **your** right to select the **hospital, physician** or other medical service provider of **your** choice. Nothing contained in this insurance restricts or interferes with the relationship between **you** and the **hospital, physician** or other providers with respect to treatment or care of any condition, nor **your** right to receive, at **your** own expense, services and/or supplies that are not covered under this insurance.

To comply with the United States Preferred Provider Organization (PPO) requirements, **you** must receive medical treatment from PPO providers while in the United States. If **you** choose to seek treatment from a PPO provider, **we** will remit payment for eligible expenses directly to the provider.

**You** may review a listing of **hospitals, physicians** and other medical service providers included in the PPO Network for the area where **you** will be receiving treatment by accessing the Internet website for WorldTrips at: [www.worldtrips.com](http://www.worldtrips.com). For assistance locating a provider, contact us at 1-800-605-2282.

## Article 9 - Claim Procedures

**You** must submit a claim for any expenses to be paid by **us**. This includes treatment or services for which the medical provider will bill **us** directly. No payments will be made by **us** without **you** first submitting a claim.

Notice of claim, Claimant's Statement and Authorization, and proof of claim must be mailed to:

WorldTrips  
P.O. Box 2005  
Farmington Hills, MI 48333  
USA

### Proof of Claim

When **we** receive notice of a claim, **we** will provide **you** with forms for filing proof of claim. The following is considered to be proof of claim:

1. A completed and signed Claimant's Statement and Authorization form, together with any/all required attachments;
2. Original itemized bills from **physicians, hospitals** and other medical providers; and
3. Original receipts for any expenses which have already been paid by **you** or on **your** behalf.

Beginning on the last day of **your certificate period**, **you** shall have **60 days** to provide us **proof of claim** (unless medical services were rendered after the certificate termination date, in which case **you** shall have 60 days from the date the claim is incurred). Subsequent to receipt of **proof of claim**, **we** may, at **our** sole discretion, request and require additional information, including but not limited to medical records, necessary to confirm the validity of any claim prior to payment thereof.

### Claims Cooperation

**You** shall provide assistance and co-operate with **us** or **our** representatives in obtaining any other records **we** or they feel necessary to evaluate the incident or claim. Following notification of a claim, **you** shall provide, when asked, all authorizations necessary to obtain **your** medical records. If **you** do not co-operate with **us** and/or **our** investigation of the claim, **we** shall not be liable to pay any claim.

### Access to Additional Materials

**You** shall provide **us**, or **our** designated representatives, all information, documentation, medical information that **we** or they may reasonably require during the term of this policy, or until all claims have been resolved, whichever is later.

### Other Insurance

**We** shall not pay any claim if there is other insurance which would, or would but for the existence of this insurance, pay such claim. This insurance will apply with respect to expenses in excess of the amount paid or payable under such other insurance. **We** shall not pay any claim in respect to care, treatment, services or supplies furnished by any program or agency funded by any government.

### Subrogation

**You** undertake to cooperate with **us** in the prosecution of any and all valid claims **you** may have against third parties arising out of any occurrence which results or may result in a loss payment by **us** and to

account for any amounts recovered on the basis that **we** are entitled to recover first in full any sums paid by them before **you** share in any amount so recovered. Should **you** fail to prosecute any valid claims against third parties and **we** thereupon become liable to make payment under this insurance, then **we** shall be subrogated to all **your** rights. Any amount recovered **us** shall be used to pay the expenses of collection and reimburse **us** for any amount that **we** may have paid or become liable to pay under this insurance. Any remaining amounts shall be paid to **you**.

## Right of Recovery

In the event of overpayment of any claim hereunder because:

1. all or some of the expenses were not paid for by **you** or on **your** behalf or were subsequently recovered by **you** or on **your** behalf; or
2. any **relative** of **you** or any person in **your** family, whether or not that person is or was a member, is repaid for all or some of those expenses by a source other than **us**; or
3. all or some of the expenses were not Eligible Expenses; or
4. all or some of the expenses were paid or reimbursed based on incorrect benefit application.

**We** have the right to recover the amount of overpayment from **you** and/or the **hospital, physician** or other provider of services or supplies. The amount of the recovery is the difference between:

1. the amount of expenses actually paid by **us**; and
2. the amount of expenses which should have been paid by **us**.

If **you** or the **hospital, physician** or other provider of services or supplies does not promptly make any such refund to **us**, we may, in addition to any other remedies available, either:

1. reduce the amount of any future claim that is otherwise eligible for payment hereunder, to the full extent of the refund due to **us**; or
2. cancel this **certificate** issued to **you** by giving 30 days advance written notice by mail to **your** last known address.

## Claims Assistance

Every attempt will be made to help **you** understand the benefits provided by this insurance, however, any statement made by **our** employee will be deemed a representation and not a warranty. Actual benefit payment can only be determined at the time a claim is submitted and all facts are presented in writing. If a definite answer to a specific question is required, **you** can submit a written request, including all pertinent information and a statement from the attending **physician** (if applicable), and a written reply will be sent to **you** and kept on file.

## Patient Advocacy

**We** may determine that a particular claim or diagnosis occurring under this insurance may be placed under the Patient Advocacy program to ensure that **medically necessary** services and supplies are provided in the most cost-effective manner. In the event **we** determine that a claim or diagnosis meets the Patient Advocacy program requirements, **we** will notify **you**, and a Patient Advocate will be assigned. Thereafter, the Patient Advocate may make recommendations of alternative treatment settings and/or procedures and/or supplies, which may be more cost effective for **us** and/or **you**. Such recommendations will be made with input from **you** and **your physician(s)** and will be made only when it can be reasonably demonstrated that the **medically necessary** services and supplies can be provided in a more cost-effective manner to **us** and/or **you**. **We** will use best efforts to evaluate and recommend alternative treatment settings and/or procedures and/or supplies, which can reasonably be expected to result in the same or better care for **you**. **You**, in accepting the recommendations, agree to hold **us**

harmless and **we** shall not be held liable or otherwise responsible for any treatment, service, supply, procedure or care provided to **you** except for the payment of benefits under this insurance. After **you** have been notified that the claim or diagnosis meets the Patient Advocacy program requirements, **we** reserve the rights to:

1. Make payment for treatments, services and/or supplies which are not covered under this insurance which would be beneficial to **you** and cost effective to **us**; and
2. Deny payment for expenses which would otherwise be covered under this insurance which are over the amount **we** would have paid had **you** followed the recommendations of the Patient Advocacy program.

The parties undertake to keep confidential all awards in their arbitration, together with all confidential information, all materials in the proceedings created for the purpose of the arbitration and all other documents produced by the other party in the proceedings and not otherwise in the public domain, save and to the extent that disclosure may be required of a party by legal duty, to protect or pursue a legal right or to enforce or challenge an award in legal proceedings before a court or other judicial authority. The arbitrator shall award all fees and expenses, including reasonable attorney’s fees, to the prevailing party. This agreement to arbitrate does not apply to claims Members may have for medical malpractice against their medical providers.

Members may choose to opt out of the agreement to arbitrate by mailing a written opt-out notice (“Notice”) to WorldTrips.
