## I. Introduction

---

### About This Plan

This Individual Certificate of Coverage, and any attached riders, is issued by 4 Ever Life International Limited (“Insurer”) through a Group Certificate issued to the Global Citizens Association (GCA). The Insurer will use a third party Administrator to perform certain duties on its behalf. The Global Citizens Association and the Eligible Participant are hereby notified of the use of Worldwide Insurance Services, LLC as its Administrator.

4 Ever Life International Limited and Worldwide Insurance Services, LLC are Independent Licensees of the Blue Cross Blue Shield Association

In this Plan, the “Insurer” means 4 Ever Life International Limited. The “Eligible Participant” is the person who meets the eligibility criteria of this Certificate. The term “Covered Person, “You”, or “Your”, means the Eligible Participant and any Eligible Dependents.

The benefits of this Plan are provided only for those services that the Insurer determines are Medically Necessary and for which the Covered Person has benefits. The fact that a Physician prescribes or orders a service does not, by itself, mean that the service is Medically Necessary or that the service is a Covered Expense. The benefits and services listed in this Certificate of Coverage will be provided for Covered Persons for a covered Illness, Injury, or condition, subject to all of the terms and conditions of the Certificate of Coverage. The Eligible Participant may consult this Certificate of Coverage or telephone the Insurer at the number shown on his/her identification card if he/she has any questions about whether services are covered.

This Certificate of Coverage contains many important terms (such as “Medically Necessary” and “Covered Expense”) that are defined in Part III and capitalized throughout this Certificate of Coverage. Before reading through this Certificate of Coverage, consult Part III for the meanings of these words as they pertain to this Certificate of Coverage.

Any payments under this Certificate will only be made in full compliance with all United States of America economic or trade sanction laws or regulations, including, but not limited to, sanctions, laws and regulations administered and enforced by the U.S. Treasury Department’s Office of Foreign Assets Control (“OFAC”). Therefore, any expenses incurred or claims made involving travel that is in violation of such sanctions, laws and regulations will not be covered under the policy. For more information, you may consult the OFAC internet website at [www.treas.gov/resource-center/sanctions](http://www.treas.gov/resource-center/sanctions) or a GeoBlue representative.

**Choice of Hospital and Physician:** Nothing contained in this Plan restricts or interferes with the Eligible Participant’s right to select the Hospital or Physician of the Eligible Participant’s choice. Also, nothing in this Plan restricts the Eligible Participant’s right to receive, at his/her expense, any treatment not covered in this Plan.

### Coverage Area

Benefits under this insurance are available in the following locations:

- Any country outside of the United States

**Note:** whenever coverage provided under this Plan would be in violation of any U.S. economic or trade sanctions, such coverage shall be null and void.

### International/Foreign Country Providers

If You are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands, Covered Expenses for these Foreign Country Providers are based on the Reasonable Charge, if applicable, which may be less than actual billed Charges. Foreign Country Providers can bill the Covered Person for amounts exceeding Covered Expenses. GeoBlue provides a list to Covered Persons of Foreign Country Providers with whom GeoBlue has contracted to accept assignment of claims and direct payments from Us or Our Administrator for Covered Expenses incurred by Covered Persons, thus alleviating the necessity of the Covered Person paying the Foreign Country Provider and submitting a claim for reimbursement. This particular group of Foreign Country Providers is a group for whom GeoBlue is able to provide background information and to arrange access for Covered Persons.

### Benefit Overview Matrix

Following is a very brief description of the benefit schedule of the Plan. This should be used only as a quick reference tool. The entire Certificate of Coverage sets forth, in detail, the rights and obligations of both the Covered Person and the Insurer. It is, therefore, important that **THE ENTIRE CERTIFICATE OF COVERAGE BE READ CAREFULLY!**

The benefits outlined in the following table show the payment percentages for Covered Expenses AFTER the Covered Person has satisfied any Deductibles. **Covered Expenses are based on Reasonable Charges which may be less than actual billed charges. ## IV. How the Plan Works

---

The Covered Person's Plan pays a portion of his/her Covered Expenses after he/she meets his/her Deductible for each Trip Coverage Period. This section describes the Deductible and discusses steps to take to ensure that he/she receives the highest level of benefits available under this Certificate of Coverage. See Definitions (Section III) for a definition of Covered Expenses and Covered Services.

The benefits described in the following sections are provided for Covered Expenses incurred by the Covered Person while covered under this Certificate of Coverage. An expense is incurred on the date the Covered Person receives the service or supply for which the charge is made. These benefits are subject to all provisions of this Certificate of Coverage, which may limit benefits or result in benefits not being payable.

Either the Covered Person or the provider of service must claim benefits by sending the Insurer properly completed claim forms itemizing the services or supplies received and the charges.

### **Benefits**

This Benefits section shows the maximum Covered Expense for each type of provider.

No benefits are payable unless the Covered Person's coverage is in force at the time services are rendered, and the payment of benefits is subject to all the terms, conditions, limitations and exclusions of this Certificate of Coverage.

### **Hospitals, Physicians, and Other Providers**

The amount that will be treated as a Covered Expense for services provided by a Provider will not exceed the lesser of actual billed charges or a Reasonable Charge as determined by the Insurer.

The Covered Person will always be responsible for any expense incurred which is not covered under this Certificate of Coverage.

### **Deductibles**

Deductibles are prescribed amounts of Covered Expenses the Covered Person must pay before benefits are available. The Deductible applies to all Covered Expenses, unless otherwise stated. Only Covered Expenses are applied to the Deductible. Any expenses the Covered Person incurs in addition to Covered Expenses are never applied to any Deductible.

Deductibles will be credited on the Insurer's files in the order in which the Covered Person's claims are processed, not necessarily in the order in which he/she receives the service or supply.

If the Covered Person submits a claim for services which have a maximum payment limit and his/her Period of Insurance Deductible is not satisfied, the Insurer will only apply the allowed per visit, per day, or per event amount (whichever applies) toward any applicable Deductible.

### **Payment**

After the Insured Participant satisfies any required Deductible, payment of Covered Expenses is provided as defined in the Benefit Overview Matrix in Section I of this document.

Please note any additional limits on the maximum amount of Covered Expenses in the discussions of each specific benefit.

## V. Benefits: What the Plan Pays

## VIII. General Provisions

---

**Excess Coverage:** The Insurer will reduce the amount payable under the Policy to the extent expenses are covered under any Other Plan. The Insurer will determine the amount of benefits provided by Other Plans without reference to any coordination of benefits, non-duplication of benefits, or other similar provisions. The amount from Other Plans includes any amount to which the Insured Person is entitled, whether or not a claim is made for the benefits. This Policy is secondary coverage to all other policies. During the claims settlement process, if the Insurer pays a provider directly, the Insurer does not relinquish their right to coordinate benefits or subrogate against any and all collectable insurance available to the Covered Person.

**Third Party Liability:** No benefits are payable for any Illness, Injury, or other condition for which a third party may be liable or legally responsible by reason of negligence, an intentional act, or breach of any legal obligation on the part of such third party. Nevertheless, the Insurer will advance the benefits of this Plan to the Insured Person subject to the following:

1. The Insured Participant agrees to advise the Insurer, in writing, within 60 days of any Insured Person's claim against the third party and to take such action, provide such information and assistance, and execute such paper as the Insurer may require to facilitate enforcement of the claim. The Insured Participant and Insured Person also agree to take no action that may prejudice the Insurer's rights or interests under this Plan. Failure to provide notice of a claim or to cooperate with the Insurer, or actions that prejudice the Insurer's rights or interests, will be material breach of this Plan and will result in the Insured Participant being personally responsible for reimbursing the Insurer.
2. The Insurer will automatically have a lien, to the extent of benefits advanced, upon any recovery that any Insured Person receives from the third party, the third party's insurer, or the third party's guarantor. Recovery may be by settlement, judgment or otherwise. The lien will be in the amount of benefits paid by the Insurer under this Plan for the treatment of the Illness, disease, Injury or condition for which the third party is liable.

**Right of Recovery:** Whenever the Insurer have made payments with respect to benefits payable under the Certificate in excess of the amount necessary, the Insurer shall have the right to recover such payments. The Insurer shall notify the Covered Person of such overpayment and request reimbursement from the Covered Person. However, should the Covered Person not provide such reimbursement, the Insurer has the right to offset such overpayment against any other benefits payable to the Covered Person under the Certificate to the extent of the overpayment.

**Entire Contract:** The entire contract between the Insurer and the Covered Person consists of the Master Policy issued to the Global Citizens Association, this Certificate and the Global Citizens Association's Group Certificate, which are deemed incorporated by reference and made a part of the Master Policy. All statements contained in the contract will be deemed representations and not warranties. No statement made by an applicant for insurance will be used to void the insurance or reduce the benefits, unless contained in a written application and signed by the applicant. No agent has the authority to make or modify the Certificate, or to extend the time for payment of premiums, or to waive any of the Insurer's rights or requirements. No modifications of the Certificate will be valid unless evidenced by an endorsement or amendment of the Certificate, signed by one of the Insurer's officers and delivered to the Global Citizens Association.

**Time Limit on Certain Defenses:** No claim for loss incurred after 1 year from the effective date of the Covered Person's insurance will be reduced or denied on the grounds that the disease or physical condition existed prior to the effective date of the Covered Person's insurance. This provision does not apply to a disease or physical condition excluded by name or specific description.

**Legal Actions:** No action at law or in equity may be brought to recover under the Certificate prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of the Certificate. No such action may be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

**Assignment:** No assignment of benefits will be binding on the Insurer until a copy of the assignment has been received by the Insurer or by its Administrator. The Insurer assumes no responsibility for the validity of the assignment. Any payment made in good faith will relieve the Insurer of its liability under the Certificate.

**Provision in Event of Partial Invalidity:** If any provision or any word, term, clause, or part of any provision of this Plan shall be invalid for any reason, the same shall be ineffective, but the remainder of this Plan and of the provision shall not be affected and shall remain in full force and effect.

**Beneficiary:** The beneficiary is the last person named in writing by the Covered Person and recorded by or on the Insurer's behalf. The beneficiary can be changed at any time by sending a written notice to the Insurer or to its Administrator. The beneficiary's consent is not required for this or any other change in the Certificate unless the designation of the beneficiary is irrevocable.

**Mistake in Age:** If the age of any Covered Person has been misstated, an equitable adjustment will be made in the premiums or, at the Insurer's discretion, the amount of insurance payable. Any premium adjustment will be based on the premium that would have been charged for the same coverage on a Covered Person of the same age and similar circumstances.

**Clerical Error:** A clerical error in record keeping will not void coverage otherwise validly in force, nor will it continue coverage otherwise validly terminated. Upon discovery of the error an equitable adjustment of premium shall be made.

**Not in Lieu of Workers' compensation.** The Certificate does not satisfy any requirement for Workers' Compensation.

## The Claims Process

**Notice of Claim:** Written notice of any event which may lead to a claim under the Certificate must be given to the Insurer or to the Administrator within 60 days after the event, or as soon thereafter as is reasonably possible.

**Claim Forms:** Upon receipt of a written notice of claim, the Insurer will furnish to the claimant such forms as are usually furnished by it for filing Proofs of Loss. If these forms are not furnished within 15 days after the notice is sent, the claimant may comply with the Proof of Loss requirements of the Certificate by submitting, within the time fixed in the Certificate for filing proofs of loss, written proof showing the occurrence, nature and extent of the loss for which claim is made.

**Proof of Loss:** Written proof of loss must be furnished to the Insurer or to its Administrator within 90 days after the date of loss. However, in case of claim for loss for which the Certificate provides any periodic payment contingent upon continuing loss, this proof may be furnished within 90 days after termination of each period for which the Insurer is liable. Failure to furnish proof within the time required will not invalidate nor reduce any claim if it is not reasonably possible to give proof within 90 days, provided

1. it was not reasonably possible to provide proof in that time; and
2. the proof is given within one year from the date proof of loss was otherwise required. This one year limit will not apply in the absence of legal capacity

Any other accrued benefits unpaid at the Covered Person's death may, at the Insurer's option, be paid either to his/her beneficiary or to his/her estate. Benefits payable under any of the other benefits may be payable to the provider of the service.

If any benefits are payable to the estate of a Covered Person, or to a Covered Person's beneficiary who is a minor or otherwise not competent to give valid release, the Insurer may pay up to \$1,000 to any relative, by blood or by marriage, of the Covered Person or beneficiary who is deemed by the Insurer to be equitably entitled to payment. Any payment made by the Insurer in good faith pursuant to this provision will fully discharge the Insurer of any obligation to the extent of the payment.

**Physical Examination and Autopsy:** The Insurer may, at its expense, examine a Covered Person, when and as often as may reasonably be required during the pendency of a claim under the Certificate and, in the event of death, make an autopsy in case of death, where it is not forbidden by law.

**Alternate Cost Containment Provision:** If it will result in less expensive treatment, the Insurer may approve services under an alternate treatment plan. An alternate treatment plan may include services or supplies otherwise limited or excluded by the Plan. It must be mutually agreed to by the Insurer, the Covered Person, and the Covered Person's Physician, Provider, or other healthcare practitioner. The Insurer's offering an alternate treatment plan in a particular case in no way commits the Insurer to do so in another case, nor does it prevent the Insurer from strictly applying the express benefits, limitations, and exclusions of the Plan at any other time or for any other Covered Person.

If You are not satisfied with the results of a coverage decision, You can start the appeals procedure.

### Appeals Procedure

The Insurer has a two-step appeals procedure for most coverage decisions. To initiate an appeal, You must submit a request for an appeal in writing within 180 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting Your appeal. If You are unable or choose not to write, You may ask to register your appeal by telephone. Call or write to the Administrator at the toll-free number or address shown on your identification card, explanation of benefits or claim form.

#### Level One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level one appeals, you will be responded to in writing with a decision within fifteen calendar days after we receive an appeal for a required pre-service or concurrent care coverage determination (decision). We will respond within 30 calendar days after we receive an appeal for a post service coverage determination. If more time or information is needed to make the determination, We will notify You in writing to request an extension of up to 15 calendar days and to specify an additional information needed to complete the review.

You may request that the appeal process be expedited if, the time frames under this process would seriously jeopardize Your life, health or ability to regain maximum function or in the opinion of Your Physician would cause You severe pain which cannot be managed without the requested services; or your appeal involves non-authorization of an admission or continuing Inpatient Hospital stay. The Insurer or its designee's physician reviewer, in consultation with the treating Physician, will decide if an expedited appeal is necessary. When an appeal is expedited, We will respond orally with a decision within 72 hours, followed up in writing.

#### Level Two Appeal

If You are dissatisfied with Our level one appeal decision, you or your authorized representative may request a second review for appeals involving Medical Necessity or clinical appropriateness. To start a level two appeal, follow the same process required for a level one appeal.

Most requests for a second review will be conducted by an appeals committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the appeals committee. For appeals involving Medical Necessity or clinical appropriateness, the Committee will consult with at least one Physician or Dentist reviewer in the same or similar specialty as the care under consideration, as determined by the Insurer's or its designee's Physician or Dentist reviewer. You may present your situation to the committee by conference call.

For level two appeals we will acknowledge in writing that we have received your request and schedule a committee review. For required pre-service and concurrent care coverage determinations, the committee review will be completed within 15 calendar days. For post-service claims, the Committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, We will notify You in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Committee to complete the review. You will be notified in writing of the committee's decision within five working days after the Committee meeting, and within the Committee review time frames above if the committee does not approve the requested coverage.

You may request that the appeal process be expedited if, the time frames under this process would seriously jeopardize Your life, health or ability to regain maximum function or in the opinion of your Physician would cause you severe pain which cannot be managed without the requested services; or Your appeal involves non-authorization of an admission or continuing Inpatient Hospital stay. The Insurer's or its designee's Physician reviewer, in consultation with the treating Physician will decide if an expedited appeal is necessary. When an appeal is expedited, we will respond orally with a decision within 72 hours, followed up in writing.

Following a second level appeal, a final determination will be made and a letter will be sent to you.
