If a benefit is payable to the Insured's estate or to a minor or other person who is incapable of giving a valid release, the Company may pay up to \$1,000 to a relative by blood or connection by marriage who has assumed care or custody of the minor or responsibility for the incompetent person's affairs. Any payment the Company makes in good faith fully discharges the Company to the extent of that payment.

SECTION VI

GENERAL PROVISIONS

Entire Contract; Changes

This policy, Schedule, application and any attachments are the entire contract of insurance. In the absence of fraud, all statements made by the Insured will be considered representations and not warranties. No agent may change it in any way. Only an executive officer of the Company can approve a change. Any such change must be shown in this policy or its attachments.

Acts of Agents

No agent or any person or entity has authority to accept service of the required proof of Loss or demand arbitration on the Company's behalf nor to alter, modify, or waive any of the provisions of this policy.

Recovery

The Company has the right to recover any amount the Insured received from the Company that exceeds the total amount of the Loss, unless prohibited by law.

Physical Examination and Autopsy

The Company at its own expense has the right and opportunity to examine the person of any Insured whose Loss is the basis of claim under this policy when and as often as it may reasonably require during the pendency of the claim and to perform an autopsy in case of death where it is not forbidden by law or the Insured's religious beliefs.

Benefits Payable

All benefits are payable to the first named Insured on the policy or a party the Insured designates in writing to the Company. Benefits are limited to the amount of the Loss and are subject to the applicable limit of liability and any deductible stated in the Schedule. If the Insured dies, benefits will be paid to the Insured's estate unless one or more beneficiaries has been designated. If more than one beneficiary is designated, benefits will be paid to each named beneficiary in equal shares (unless designated otherwise). Except as described here, there are no other beneficiaries of any of the benefits under this policy. All dollar amounts described in this policy are expressed in U.S. dollars. The Insured will not be reimbursed twice for the same expense. For example, the Insured cannot be reimbursed for the same expense under both Travel Delay and Trip Interruption coverages.

Sanctions

Any payments under this Policy will only be made in full compliance with all United States of America economic or trade sanction laws or regulations, including, but not limited to, sanctions, laws and regulations administered and enforced by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC"). Therefore, any expenses incurred or claims made involving travel that is in violation of such sanctions, laws and regulations will not be covered under this Policy. For more information, you may consult the OFAC internet website or the Travel Insurance Administrator representative.

Assignment

An Insured may not assign any of his or her rights, privileges or benefits under this policy.

Resolving Disputes

No action may be brought against the Company unless the Insured has complied with all applicable provisions of this policy and such action is started within six years of the date the claim was denied in whole or in part.

Fraud and Misrepresentation

The Insured is responsible for all statements or other representations they make. Any materially misleading or inaccurate information in any statements or representations from the Insured may result in the Company canceling the policy or reducing benefits, or the Company may use them to defend the decision about a claim. Fraud is illegal and may subject the Insured to criminal prosecution and civil penalties. The Company will deny the claim if the Insured or someone acting on their behalf:

- (a) Makes any false statements or statements that are deliberately misleading or deceptive;
- (b) Conceals or misrepresents any material fact; or
- (c) Otherwise attempts or commits fraud.

Duplicate Coverage

If the Insured is covered by another insurance policy that the Travel Insurance Administrator has issued with the same or similar coverage, the Company will pay no more than the highest amount of coverage payable under any one insurance policy. The Travel Insurance Administrator will also refund any premium paid for duplicate coverage.

Changes and Cancellation

The Insured may request changes to the policy by notifying the Travel Insurance Administrator. A request to change the return date may be made at any time prior to the Return Date. All other changes to the policy must be requested prior to the original Departure Date. If the change results in an increase in premium, the additional premium must be paid. Any decrease in premium, as a result of the change, will be refunded. Any change will be effective upon approval by the Travel Insurance Administrator and collection of any additional premium due. As noted above, the Travel Insurance Administrator will refund the premium if the policy is canceled within 15 days of the original purchase, the Trip has not started, and a claim has not been initiated. After this 15-day period, the premium is nonrefundable.

Subrogation

When someone is responsible for the Loss, the Company has the right to recover any payments made to the Insured or someone else in relation to the claim, as permitted by law. In such case, the Company may require any person receiving payment to assign their rights to recover such payment, including signing and providing any documents reasonably required allowing the Company to do so. Everyone eligible to receive payment for a claim submitted must cooperate with this process and must refrain from doing anything that would adversely affect the Company's rights to recover payment.

Travel Requirements

The Insured is responsible for meeting all requirements to travel, including obtaining required travel authorizations/documentation (for example, passports or visas), immunizations and medical supplies/equipment (including verifying that supplies/equipment meet the Travel Supplier's requirements), and anything else required for the Trip.

Waiver or Amendment

No one has the right to describe the policy any differently than is described here or to change or waive any of its provisions.

Conformity with Montana Statutes

Any provision of this policy which, on its effective date, is in conflict with the statutes of the state of Montana is hereby amended to conform to the minimum requirements of those statutes and control over any conflicting statutes of any state in which the Insured resides on or after that date.

SECTION V

CLAIMS INFORMATION

How to Make a Claim

Before filing a claim, please review the policy detail and the Schedule to determine if the Loss meets the criteria for a covered claim. Please note not every Loss is covered, even if it is due to something sudden, unexpected, or out of the Insured's control. The Insured is encouraged to file a claim as each claim is reviewed individually on its own merit by a licensed claim adjuster. Contact the Travel Insurance Administrator or an agent of the Company to start the claims process. Please refer to the Schedule for the claims contact information for the policy.

Notice of Claim

The Insured must notify the Travel Insurance Administrator or the Company within 6 months after the occurrence or commencement of any loss covered by the policy or as soon after that date as is reasonably possible. If the claim is not filed within this time, the Company will not invalidate or reduce the claim unless the delay impairs the Company's rights.

Claim Forms

The Company, upon receipt of a notice of claim, will provide the necessary claims forms. If such forms are not furnished within 15 days after the giving of such notice, the Insured shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character, and the extent of the loss for which claim is made.

Proof of Loss

Written proof of loss must be furnished to the Company at said office in case of claim for Loss for which this policy provides any periodic payment contingent upon continuing Loss within 90 days after the termination of the period for which the Company is liable and in case of claim for any other Loss within 90 days after the date of such Loss. Failure to furnish such proof within the time required shall not invalidate or reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than 1 year from the time proof is otherwise required.

Time of Payment of Claims

The Company will make a determination of the claim no later than 30 business days after all necessary proof of loss is received. Any payment for the claim shall be made immediately on receipt of due written proof of the loss, as long as any outstanding conditions are met. If the claim is denied, the Insured will be notified of the reasons for the denial.

If the Company is unable to process the claim within 30 business days after receipt of all required proof of loss, the Insured will be notified within the 30th business day period that additional time is needed to investigate the claim. A final determination will be within 60 business days of receiving the proof of loss unless the Company has notified the Insured, the Insured's assignee, or the claimant of the reasons for failure to pay the claim in full or unless the Company has a reasonable belief that insurance fraud has been committed and the Company has reported the possible insurance fraud to the commissioner. This section does not eliminate the Company's right to conduct a thorough investigation of all the facts necessary to determine payment of a claim.

If the Company fails to comply with this section and the Company is liable for payment of the claim, the Company shall pay an amount equal to the amount of the claim due plus 10% annual interest calculated from the date on which the claim was due. For purposes of calculating the amount of interest, a claim is considered due 30 days after the Company's receipt of the proof of loss or 60 days after receipt of the proof of loss if the Company made a reasonable request for information or documents. Interest payments must be made to the person who receives the claims payment. Interest is payable under this subsection only if the amount of interest due on a claim exceeds \$5.

Payment of Claims

Indemnity for loss of life will be payable in accordance with the beneficiary designation and the provisions respecting such payment which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, such indemnity shall be payable to the estate of the Insured. Any other accrued indemnities unpaid at the Insured's death may, at the option of the Company, be paid either to such beneficiary or to such estate. All other indemnities will be payable to the Insured.

If any indemnity of this policy shall be payable to the estate of the Insured or to an Insured or beneficiary who is a minor or otherwise not competent to give a valid release, the Company may pay such indemnity, up to an amount not exceeding \$1,000, to any relative by blood or connection by marriage of the Insured or beneficiary who is deemed by the Company to be equitably entitled thereto. Any payment made by the Company in good faith pursuant to this provision shall fully discharge the Company to the extent of such payment.

Subject to any written direction of the Insured in the application or otherwise, all or a portion of any indemnities provided by this policy on account of hospital, nursing, medical, or surgical services may, at the Company's option and unless the Insured requests otherwise in writing not later than the time of filing proof of such loss, be paid directly to the Hospital or person rendering such services; but it is not required that the service be rendered by a particular Hospital or person.

SECTION VI

GENERAL PROVISIONS

Entire Contract; Changes

This policy, Schedule, application and any attachments are the entire contract of insurance. In the absence of fraud, all statements made by the Insured will be considered representations and not warranties. No agent may change it in any way. Only an executive officer of the Company can approve a change. Any such change must be shown in this policy or its attachments.

Sanctions

Any payments under this Policy will only be made in full compliance with all United States of America economic or trade sanction laws or regulations, including, but not limited to, sanctions, laws and regulations administered and enforced by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC"). Therefore, any expenses incurred or claims made involving travel that is in violation of such sanctions, laws and regulations will not be covered under this Policy. For more information, you may consult the OFAC internet website or the Travel Insurance Administrator representative.

Assignment

An Insured may not assign any of his or her rights, privileges or benefits under this policy.

Resolving Disputes

No action may be brought against the Company unless the Insured has complied with all applicable provisions of this policy and such action is started within six years of the date the claim was denied in whole or in part.

Fraud and Misrepresentation

The Insured is responsible for all statements or other representations they make. Any materially misleading or inaccurate information in any statements or representations from the Insured may result in the Company canceling the policy or reducing benefits, or the Company may use them to defend the decision about a claim. Fraud is illegal and may subject the Insured to criminal prosecution and civil penalties. The Company will deny the claim if the Insured or someone acting on their behalf:

- (a) Makes any false statements or statements that are deliberately misleading or deceptive;
- (b) Conceals or misrepresents any material fact; or
- (c) Otherwise attempts or commits fraud.

Duplicate Coverage

If the Insured is covered by another insurance policy that the Travel Insurance Administrator has issued with the same or similar coverage, the Company will pay no more than the highest amount of coverage payable under any one insurance policy. The Travel Insurance Administrator will also refund any premium paid for duplicate coverage.

Changes and Cancellation

The Insured may request changes to the policy by notifying the Travel Insurance Administrator. A request to change the return date may be made at any time prior to the Return Date. All other changes to the policy must be requested prior to the original Departure Date. If the change results in an increase in premium, the additional premium must be paid. Any decrease in premium, as a result of the change, will be refunded. Any change will be effective upon approval by the Travel Insurance Administrator and collection of any additional premium due. As noted above, the Travel Insurance Administrator will refund the premium if the policy is canceled within 15 days of the original purchase, the Trip has not started, and a claim has not been initiated. After this 15-day period, the premium is nonrefundable.

Subrogation

When someone is responsible for the Loss, the Company has the right to recover any payments made to the Insured or someone else in relation to the claim, as permitted by law. In such case, the Company may require any person receiving payment to assign their rights to recover such payment, including signing and providing any documents reasonably required allowing the Company to do so. Everyone eligible to receive payment for a claim submitted must cooperate with this process and must refrain from doing anything that would adversely affect the Company's rights to recover payment.

If the Insured intends to institute an action for damages against a third party, the Insured shall give the Company reasonable notice of the intention to institute the action. The Insured may request that the Company pay a proportionate share of the reasonable costs of the third-party action, including attorney fees. The Company may elect not to participate in the cost of the action. If an election is made, the Company waives 50% of any subrogation rights granted to it. The Company will not pursue subrogation until the injured Insured has been fully compensated for their injuries.

Travel Requirements

The Insured is responsible for meeting all requirements to travel, including obtaining required travel authorizations/documentation (for example, passports or visas), immunizations and medical supplies/equipment (including verifying that supplies/equipment meet the Travel Supplier's requirements), and anything else required for the Trip.

Waiver or Amendment

No one has the right to describe the policy any differently than is described here or to change or waive any of its provisions.

Conformity with Montana Statutes

Any provision of this policy which, on its effective date, is in conflict with the statutes of the state of Montana is hereby amended to conform to the minimum requirements of those statutes and control over any conflicting statutes of any state in which the Insured resides on or after that date.
